

**Field Notes and Interview Log Form**  
**Project: River Tales**

Key topics covered in interview:

Interviewee (Participant):

Address:

Phone/e-mail

Date:

Location:

Interviewer:

Interviewer's phone and e-mail:

Recording equipment Used:

Format in which interview is being turned over to FLFR (Circle one):

USB flash drive, digital file via DropBox, other \_\_\_\_\_

**Field Notes**

*(In the space below write personal notes about the circumstances of the interview, why you chose this interviewee, explanations of gaps in interview, etc).*

**Interview Log Form**

*(At the left margin of the space below place the time mark indicated on the recording. Tab two spaces to right and type a brief summary of what is said at that time or a more detailed word-by-word description of anything you think would be usable for FLFR purposes. Skip a line before starting the next entry. The Interview Log Form can be as many pages as needed to cover the entire interview.)*

**Photo Log Form**

*(At the left margin of the space below, type the name of the photo, consisting of the interviewee's name and a number, starting with #1. Tab two spaces to the right and give details about the photo. It can be a photo of a photo that the interviewee shared with you.)*
